THE NEW CT-7 SA
SEMI AUTOMATIC CASE TAPER

THE NEW CT-7 SA™ SEMI AUTOMATIC CASE TAPER

The CT-7 SA™ Semi-Automatic Case Sealer is a compact, versatile top and bottom case taper from Chicago Tapers. The CT-7 SA™ is loaded with features and boasts an open face tape head which is easy to thread and light weight. These features include a roller bed table, casters, compression wheels, entrance & exit roller tables. The CT-7 SA™ provides our customers with uptime reliability while keeping maintenance costs down to a minimum.

Some machine features include a heavy duty welded frame, a roller bed table which can hold virtually any case weight, centralized case adjustments to ensure fast and easy size change, a painted exterior finish, and a painted exterior finish that can resist the most brutal conditions.

FEATURES BENEFITS

Centralized case adjustments.	Fast & easy size change improves efficiency.
Heavy-duty welded frames.	Durable construction for demanding applications.
Painted exterior finish.	Resist weather, staining and chemicals.
Open tape feed path.	Tape roll change is accomplished in seconds, reducing downtime.
Roller bed table.	Virtually unlimited case weights.

CT-7 SA OPTIONS:

- Optional 3" wide taping heads.
- Spare parts kit.
